

Stone Academy

Teach Out - Transfer Partners

WHAT CAN I DO NEXT

As you know, Stone Academy has had to make the incredibly difficult decision to wind down campus operations in East Hartford, Waterbury, and West Haven. We have connected with academic institutions that will provide opportunities for students looking to continue their studies. As you navigate the next steps on your path, here is a guide which we hope can provide you relevant information on possible ways to continue your education journey.

Lincoln Technical Institute – Practical Nursing Program Provider

Campus Locations: Shelton, CT – New Britain, CT

Lincoln Technical Institute is welcoming Stone Academy students to transfer to Lincoln Tech who meet their institution's eligibility requirements as set forth in their catalog. They will be actively working to employ our faculty for the purposes of creating a consistent experience for Stone Academy students who transfer into their program. To ensure that your application is handled appropriately please indicate that you are a former Stone Academy student on the application.

Contact Information:

Loren Bienkowski – Director of Admissions

Lbienkowski@lincolntech.edu – (860) 225-8641

Joanna Lia – Director of Admissions

Goodwin University

Campus Location: East Hartford, CT

Stone Academy's credits have been recognized by Goodwin University since 2008 for transition into their Associate Degree in Health Science program. We have recently re-affirmed the acceptance of our students' credits towards their Associate Degree in Health Science program which serves as the gateway to students looking to matriculate into their registered nursing program.

Additionally, we have recently re-affirmed the acceptance of our Medical Assisting students' credits towards the Associate Degree in Medical Assisting program at Goodwin University.

Contact Information:

Bobella Daley – Director of Admissions – Bdaley@Goodwin.edu – (860) 528-4111

The University of Bridgeport

Campus Location: Bridgeport, CT

Stone Academy has been in correspondence with the University of Bridgeport regarding the possible transfer of our students to their institution. The University of Bridgeport offers a range of health career centric programs offered as both on-ground and on-line modalities and will review the transcripts of Stone Academy students individually to determine the awarding of credit toward their certificate and degree offerings.

Contact Information:

Zeina Riachy – Asst. Director of Admissions – Zriachyh@Bridgeport.edu – (203) 576-4552

Porter & Chester Institute - Practical Nursing Program Provider

Campus Locations: Waterbury, CT – New London, CT (**no PN program at this location**) – Hamden, CT – Bridgeport, CT – Enfield, CT

Over the past week Stone Academy has been working closely with Porter & Chester Institute to determine the alignments between our curricula so that students looking to transfer to the institution can be handled more expediently. Porter & Chester Institute is also involved in interviewing faculty and staff.

Students looking to transfer into Porter & Chester Institute can utilize the link below to begin the application process. To ensure that your application is handled appropriately please indicate that you are a former Stone Academy student on the application.
